EMPLOYMENT

Postdoctoral Research Scholar Feb 2025 – Present

- Department of Agricultural and Resource Economics, North Carolina State University, Raleigh, NC
- Supervisor: Dr. Daniel Tregagle

Research Assistant Jun 2018 – Jun 2019

- China Center for Agricultural Policy, Peking University, Beijing, China
- Supervisor: Dr. Jikun Huang

EDUCATION

Ph.D. in Economics, North Carolina State University, Raleigh, NC 2019 – 2025

- Dissertation: “*Studies Exploring Impacts of Contemporary Policy and Regulation on U.S. and Global Supply Chains*”
- Committee: Kathryn Boys (Advisor), Heidi Schweizer, Daniel Tregagle & George List

M.S. in Applied Mathematics, Northeastern University, Boston, MA 2015 – 2017

B.S. in Mathematics and Economics, University of Delaware, Newark, DE 2011 – 2015

RESEARCH FIELDS

Agricultural Economics and International Trade

WORKING PAPERS

“*The Opportunities and Challenges of Adopting Controlled Environment Agriculture Technology in the California Strawberry Nursery Industry*,” with Jung Hoon Han, Mark Hoffmann, & Daniel Tregagle, R&R (conditional acceptance) at **International Journal of Fruit Science**

“*The Welfare Effects of Controlled Environment Agriculture Propagation in the Strawberry Nursery Industry*,” with Jung Hoon Han & Daniel Tregagle, Under Review at **Journal of Agricultural and Resource Economics**

“*Driving Under Pressure: Examining the Relationship Between Facility Detention and Truck Speed Patterns*,” with Heidi Schweizer, Kathryn Boys & George List

“*Examining the Impacts of The Belt and Road Initiative on Global Trade*,” with Kathryn Boys

“*The Unexamined Effects of China’s Belt and Road FDI for Recipient Countries*,” with Kathryn Boys

WORKS IN PROGRESS

“*Analyzing the Determinants Underlying Exports of Major Agricultural Commodities from African Countries to China*,” with Siying Jia & Yu Sheng

“*Analyzing the Exports of Chicken Paws from the U.S. to China*,” with Kathryn Boys

“*Costs and Returns for Controlled Environment Agriculture in the Strawberry Nursery System*,” with Daniel Tregagle

EXTENSION PUBLICATIONS & INDUSTRY OUTREACH

“Advancing the U.S. Strawberry Nursery Industry,” with Daniel Tregeagle, **PIP-CAP Newsletter**, Volume 2, Issue 1, (2025)

Contributed the section *“Understanding the Relationship between Detention and Truck Speeds,”* (pp. 30–34) in Leslie, A. & Murray, D. (2024). *“Costs and Consequences of Truck Driver Detention: A Comprehensive Analysis,”* American Transportation Research Institute

Graduate student contributor for educational video *“How Can Farmers Export Grain Out of NC?”* Written by Jenny Carleo, NC State Extension (2022)

RESEARCH EXPERIENCE

Research Assistant for Dr. Heidi Schweizer & Dr. Daniel Tregeagle, NC State University, Raleigh, NC 2022 – 2024

- Development and Integration of Next-Generation Propagation Strategies to Increase the Resilience of the US Strawberry Supply Chain
- Railroad Management Philosophy and Service Provision: Heterogeneous Impacts of Precision Scheduled Railroading on Service Quality

Research Assistant for Prof. Jikun Huang, Peking University, Beijing, China 2018 – 2019

- Identifying and Prioritizing Policies for Engaging African Smallholder Farmers in Agricultural Trade with China
- Research on Industrialization and Commercialization of Genetic Modified Crops in China

FIELD EXPERIENCE

U.S.: Met with and interviewed strawberry nursery industry stakeholders in California 2022 & 2024

Africa: Participated in interviews with China’s leading importers of African agricultural commodities and small farmers in Ethiopia and Tanzania 2019

China: Conducted interviews with farming households, gathering household-level data on farm production and income; trained field investigators in Liaoning Province as part of a national rural household survey covering eight provinces 2018

TEACHING EXPERIENCE

Instructor, NC State University 2021

- Fundamentals of Economics (EC 205): Fall 2021
- Independently designed and taught approximately 90 students enrolled in two sections
- In-person

Lab Instructor, NC State University 2020-2021

- Principles of Microeconomics (EC 201): Spring 2020, Fall 2020, Spring 2021
- Taught approximately 80 students enrolled in three sections for each semester
- Hybrid delivery

Graduate Teaching Assistant, NC State University 2019

- Agricultural Financial Management: Fall 2019
- Intermediate Microeconomics: Fall 2019
- Introduction to Agricultural & Resource Economics: Fall 2019

FELLOWSHIPS, AWARDS AND GRANTS

Graduate Student Travel Grant, NC State University	2023 -2024
Andrew & Thelma Bartley Endowment Scholarship, NC State University	2020-2021
Toussaint Scholarship, NC State University	2019

PRESENTATIONS

Poster Presentation Selected for AAEA Annual Meeting (New Orleans)	2024
• “Examining the Impacts of the Belt and Road Initiative on Global Trade,” with Kathryn Boys	
Paper Presentation Selected for AAEA Annual Meeting (Washington, DC)	2023
• “The Unexamined Effects of China’s Belt and Road FDI for Recipient Countries,” with Kathryn Boys	
Poster Presentation Selected for Transportation Research Forum (Chicago)	2023
• “Did the Hours of Service (HOS) Changes Modify the Refrigerated Truck Behavior?”	

SERVICE

Social Committee Member, Economics Graduate Student Association, NC State University

OTHER INFORMATION

Software: R, SAS, Stata, MATLAB, Python, ArcGIS, NVivo

Language: English (fluent), Chinese (native)
